

BLISS Community Health Professionals' Information Programme - Study Days

Supporting families of premature or sick babies following discharge from hospital

Nottingham - Tuesday 13 September 2005
Glasgow - Wednesday 23 November 2005
Cardiff - Wednesday 12 April 2006
Belfast - September 2006

Topics for the day will include:

- transition from hospital to home
- weaning, nutrition and growth issues
- ongoing medical conditions
- developmental milestones

Only £45

The day will be of great interest to all Health Visitors and other Community Health Professionals, who wish to gain an insight into the care of premature babies.

Please fax application form (on reverse) to CCC Limited on 0115 916 3106. Please ensure that your cheque for £45 (payable to BLISS) is subsequently posted to the address overleaf for CCC Ltd.

For queries please telephone Central Conference Consultants Ltd on 0115 916 3104.

In March 2005 BLISS launched a new website for community health professionals www.bliss.org.uk/communityhealth
